

Self-Serve Contract Instructions for Queen's Faculty or Staff

Before preparing a contract for a student please ensure that they have provided you with proof of a Work Study entitlement (an email from Student Awards or a screenshot of their Solus account).

General Information

1. Download the appropriate contract (Fall/Winter or Summer), complete, scan as a pdf and email individually, with all signatures (student, employer, and timekeeper) and account string, for review to the Work Study Coordinator.
2. **The contract is not yet considered valid and the student cannot commence work until you have received a confirmed (initialed) contract back from the Work Study Administrator.**
3. The Work Study Coordinator will verify the information, provide the job number and confirm with you via email. You will receive electronically the stamped contract which will indicate that it has been confirmed. The turnaround time for confirmation is 48 hours.
