

CAREER SERVICES OUTREACH REQUEST FORM – Queen’s Faculty & Staff

To request Career Services for your class or campus group, please provide the following information.

Department or campus group	
Your name	
Your role	
Email	
Telephone	

The nature of your request:

Please select an option from the workshops & services listed on page 2 of this document.	
Additional information or questions	

Suggest a Date: This popular service books up well in advance. To best accommodate your needs, please send us three possible options that would work and we will let you know if we have the capacity to meet your request.

Date option #1:	Preferred time of day:
Date option #2:	Preferred time of day:
Date option #3:	Preferred time of day:

Participants

We require a minimum of 15 participants. **How many participants do you anticipate?** _____

Your role

- Have a point person available while we are at your event/class
- Promote to students
- Book a location and let us know where to attend (unless you would like to use our location)
- Arrange for data projector & screen (not applicable for career advising on site)

To book our location: If your group would like to use our workshop room in Gordon Hall (max 30 people), please book through mycareer@queensu.ca

Promotion of your event: We normally post information about events (topic, date/time and intended or restricted audience). If you would prefer NOT to have your event posted, please email christine.fader@queensu.ca

Contact us: Call Career Services Reception (613-533-2992) or email: mycareer@queensu.ca

Thank you for your request. Once completed, please save this document and then attach it in an email to mycareer@queensu.ca. Someone will respond to your workshop request shortly.

Career Programming Options - please choose from the following available topics:

Special Services	Duration	Intended Audience	Session highlights/goals
Introduction to Career Services	10-15 minutes	All students, parents, incoming students, new graduates	Great for kicking off a career event you have organized! We'll talk briefly about career planning and explain what programs we have that can help.
Career Advising On-Site	1-2 hours	All students, parents, incoming students, new grads	Give your students access to on-site career advising. We'll staff a table in your department or at your event and students can drop by with career questions.
Guided Tour of Career Information Area	20-30 minutes	All students	Join us for a guided tour of key resources in our Career Information Area. This session can be tailored to a relevant topic (e.g. researching healthcare-related employers)

Workshops			
What to do with a degree in...?	50 minutes	All students	Students will gain insight into general career management principles and learn about resources available to help them explore career options.
Resumes/CVs & Cover Letters	50 minutes	All students	Students will begin to think strategically about and re-organize their resumes/CVs/cover letters and gain insight into maximizing "the match" with their goals.
Interview Strategies	50 minutes	All students	Students will gain interview confidence by interacting with each other and engaging in common interview scenarios. They will also learn how to develop questions to ask.
Summer Job Search 101	30 minutes	Novice job seekers	Students will learn a process for finding summer work in typical student-seeking sectors including retail, camps, hospitality, tourism, etc.
Job Search & Networking	50 minutes	All students	Students will learn how to plan and implement a successful job search and practice skills for effective networking.
Thinking about Grad School?	50 minutes	Undergrad students	Students learn about process, timelines and application pieces for grad school. They will get tips on how to make an informed decision.
Career & MBTI	2 hours	All students	Personality can help career choice and contentment. Students will gain insight into their personality preferences using the world-renowned tool, Myers-Briggs Type Indicator (MBTI). Note: Before this session, students need to complete the MBTI questionnaire. There is a cost-recovery fee of \$35/participant.
Design Your Life - <i>Applying Design Thinking to your career to create a life worth living</i>	2.5 hours	All students (groups of 10-24)	Students will learn how to apply the step-by-step Design Thinking process to find solutions to the problem of "What's Next?". They will leave this interactive session with a clearer sense of where they want to go, and how you can begin taking immediate action to make your dreams a reality.
