

English

When you study English at Queen's, you'll learn to read perceptively, analyze clearly, and above all, communicate effectively. Students will explore the literary canon, including writers such as Shakespeare, Austen, and Brontë, but will also engage with cutting edge texts and literary forms, such as graphic novels and works by contemporary writers. Queen's English encourages an eclectic approach to the subject, combining attention to methodology and core knowledge with the flexibility to support individual passions.

Why study in Kingston?

Since 1841, our community has been more than a collection of bright minds – Queen's has attracted students with an ambitious spirit. Queen's has the highest retention rates, the highest graduation rates, and one of the highest employment rates among recent graduates. We are a research-intensive university focused on the undergraduate experience. The BBC has identified Kingston as one of the GREATEST UNIVERSITY TOWNS in the world – and it is often identified as the safest city in Canada. It is a university city at the core; just a quick drive to Toronto, Montreal, Ottawa and even New York. At a university with more clubs per capita than any other university in Canada, and in a city with more restaurants per capita than any other city in North America, you will have the experience of a lifetime at Queen's – and graduate with a degree that is globally recognized among the best.
