GRAD MAP FOR MA STUDENTS 

Why GRADUATE STUDIES in POLITICAL STUDIES?

The Department of Political Studies at Queen's University has long been known for its graduate programs. We are small enough to provide our students with a highly personalized graduate experience, and our faculty are strong, diverse, and well recognized for their research so that we can provide a well-rounded education that gives our graduates a solid basis for a wide range of careers. The department is particularly well known for its strength in the study of ethnically divided and diverse societies.

"I have really appreciated my time as an MA student in the Political Science department at Queen's. Small in size, the department fosters a sense of community and mutual support. Yet, the department remains highly competitive, boasting professors and students at the tops of their fields."

— Maria Krause, MA, PhD
