English

When you study English at Queen’s, you’ll learn to read perceptively, analyze clearly, and above all, communicate effectively. Students will explore the literary canon, including writers such as Shakespeare, Austen, and Brontë, but will also engage with cutting edge texts and literary forms, such as graphic novels and works by contemporary writers. Queen’s English encourages an eclectic approach to the subject, combining attention to methodology and core knowledge with the flexibility to support individual passions.
