Get to know COMMERCE

From your first day in the Commerce program at Smith School of Business, you will become immersed in a program that features small class sizes, a team approach, state-of-the-art technologies, and a focus on personal academic development. The first two years of your program provide a strong business foundation. In third and fourth year, you can focus on areas of interest or you can remain a generalist by choosing courses from various fields of study. The Commerce experience extends well beyond the classroom. You will enjoy unparalleled extracurricular opportunities, including a wide range of conferences and competitions, and a tremendous sense of community.

The Commerce program includes students from across Canada and around the world. You will have the opportunity to study business abroad through international exchange opportunities at over 120 partner schools worldwide, or Queen's own Bader International Study Centre in East Sussex, England. Over 85% of Commerce students go on international exchange.

The Career Advancement Centre (CAC) plays a critical role in preparing you for a career in your chosen field. The CAC's Career Coaches support you throughout your time at Smith to explore career options, define objectives, and shape a job-search strategy. The coaches help you with the full range of job search and professional development topics including building a strong personal brand, writing resumes and cover letters, developing interview skills, networking, and evaluating job offers.

The CAC's Corporate Relations team coordinates on-campus recruiting, and an online student resume book to connect students and employers. You also have 24/7 access to QUEST, our career management platform which includes job postings, and a database containing salary information and job interview questions as experienced by past Smith students.

Degree OPTIONS

Bachelor of Commerce (4 Year Honours)

Queen's ADMISSION

Students apply to Commerce (QC) through the OUAC (Ontario University Application Centre) website. The minimum average mark requirement is 87%. This average is based on six courses including English 4U, Calculus and Vectors 4U, and one additional 4U Mathematics course (with minimum grades of 80% in these three prerequisite courses). The additional three required courses may be either 4U or 4M. No more than two 4M courses from the same discipline. Details of admission requirements for non-Ontario students can be found at queensu.ca/admission.

After you submit your application to OUAC, you are required to complete the Supplementary Essay (SE). The SE is a separate document that has additional questions for Commerce applicants, and allows you to tell us more about yourself. Applicants' SEs will be reviewed by members of the Commerce admission team, and weigh heavily into admission decisions. It is very important that you take the time and effort to plan and compose SE responses as well-written essays that tell your story.

Flexible CHOICES

Smith's Commerce students often choose to stream in a field of study; others choose to take a variety of courses from different areas. Such fields of study include accounting, business economics, entrepreneurship, finance, general management, international business, management information systems, marketing, operations management and management science, organizational behaviour, and strategy and organization.

Course HIGHLIGHTS

Commerce students have a wide range of courses available to help prepare them for an international business environment, such as Negotiation Theory and Behaviour, Doing Business in Asia-Pacific Rim, Managing Across Cultures, Organizational Fraud, International Business Strategy, and Investment and Portfolio Management. Courses like these will expand your perception of the business world as you know it, introduce you to new ideas and practices, and develop the skills needed to succeed.

Acquire Skills. Gain Experience. Go Global.

That is a degree from Queen's.

Why study in Kingston?

For over 175 years, our community has been more than a collection of bright minds – Queen's has attracted students with an ambitious spirit. Queen's has the highest retention rates, the highest graduation rates, and one of the highest employment rates among recent graduates. We are a research intensive university focused on the undergraduate experience. The BBC has identified Kingston as one of the GREATEST UNIVERSITY TOWNS in the world – and it is often awarded the safest city in Canada. It is a university city at the core; just a quick drive to Toronto, Montreal, Ottawa and even New York. A university with more clubs per capita than any other university in Canada, and a city with more restaurants per capita than any other city in North America – you will have the experience of a lifetime at Queen's – and graduate with a degree that is globally recognized among the best.
