

# Summer Opportunities at Camps Event

#mycareer2021

## Welcome

Are you wondering how to have a productive successful summer? Over the course of the next few months we'll have various smaller events which you are welcome to attend. At this particular event, you'll meet and discover camps that are hiring a variety of positions for the 2021 season. You can also meet with career counsellors and resume coaches who can help you prepare.

## Attending the Networking Event

Register for this event in [MyCareer](#). You will receive a Participation Guide via email before the event date. This guide will include information about the camps attending the event as well as the Zoom links required to join the event. Please note: in the event of a malfunction, a new meeting link will be provided in MyCareer. You will also be able to view the Participation Guide on our website, but you must register in MyCareer to receive the version with links. You can register and join the event right up until the event end time.

This may be your first **online** networking event. Here is some information to help you prepare and know what to expect. Employers are looking forward to meeting you!

## A bit about the event

- Just like an in person event, there will be variety. You can meet with representatives from various camps and learn about their available opportunities for Summer 2021.
- Not sure where to begin? Meet with a career counsellor who can help you get started and answer any career related questions you may have. Resume coaches will also be available!
- Once you click the Zoom meeting link, you will be greeted by a lobby host who will help to direct you to the person or people you wish to speak with.
- Each employer will have a booth which instead of tables will be Zoom breakout rooms.
- You can go to whichever rooms you would like, and as many as you would like

## Summer Opportunities at Camps Event

#mycareer2021

- In those rooms, you will get to meet representatives from organizations, and ask any questions about the programs they are recruiting for now or even to learn about future possibilities.
- ALL students in ALL disciplines (undergraduates and graduates) are welcome !

### Before the Event

Want to prepare ahead? Check out these resources:

- Attend the short, interactive targeted workshop - Success Strategies for Career Fairs -
- Review the Participation Guide to see which employers will be there and what they are looking for.
- Get your resume ready (just in case you are asked for one) [Queen's Best Resume Magazine - Volume #1 2018](#) (.pdf, 14.9 MB)
- Have specific questions about the event? Ask a career counsellor at Drop-in Career Advising Hours

### Top Tips For Success

- Research exhibitors/organizations who are attending
- Smile
- Introduce yourself
- Think about presentation (consider your zoom background and dress)
- Be yourself – you don't need to go in with a perfect presentation – especially as an **online** networking event is a new experience for many students and employers; everyone is learning together
- Explore – visit as many 'booths' as you would like – you might be surprised at the range of opportunities they have – and what you wouldn't have learned about without a conversation with them

We look forward to seeing you at the event!
