The required academic core courses focus on management and economics; students select three electives tailored to their interests and goals. Students must complete a 4 month internship in order to be eligible for graduation. The internship allows students to gain valuable, real-world work experience and an opportunity to demonstrate the key competencies the MMI program has taught them.</p>	<ul style="list-style-type: none"> <li>- Kinesiology</li> <li>- Life Sciences</li> </ul>
