DEVELOPING OUR CULTURAL LEADERS

Why GRADUATE STUDIES IN ARTS LEADERSHIP?

Ours is a laddered program where students can receive a Graduate Diploma in Arts Management with the successful completion of the first term, or choose to complete the MA in Arts Leadership with the successful completion of second and third terms. Students receive a 360° view of the arts industry with courses in arts philanthropy and major gifts, arts marketing, cultural policy, strategic thinking and planning, contract negotiation, industrial relations, and an introduction to financial and management accounting. They are exposed to, and taught by, top practitioners in the arts industry who provide a focus on experiential learning through live site research assignments and a final term practicum placement in an arts organization to serve as a capstone project. Graduate students and their work are an important part of an ongoing research process that provides the community with ways of understanding natural, cultural, imaginative, social and technological phenomena.
