With dynamic courses and dedicated instructors, DEVS empowers students to engage the pressing global challenges that define our age. Our unique interdisciplinary program connects big-picture thinking with problem-solving approaches to open a wide range of career choices and further study options. Alongside diverse in-class and online course options, we provide opportunities for international experiential learning and work-study experiences. On completing their DEVS degree, our students have gained the specialist knowledge and tangible skills they need to realize their commitment to making the world a better place.

**TOP 3 REASONS to study GLOBAL DEVELOPMENT STUDIES**

1. Students graduate with a unique set of skills which will enable them to transition seamlessly into a further studies or a diverse range of careers. Our graduates enter the work force with strong critical thinking, communication, and problem-solving skills.

2. Students develop a comprehensive understanding of the driving forces of social, economic, and environmental changes, while learning to creatively search for innovative solutions.

3. Experience-based learning opportunities such as our DEVS 410 Work Study internship course refine practical skills for the workforce. Courses like DEVS 307 and DEVS 363 enhance cross-cultural understanding and communications skills while helping students understand the role of history and power in shaping our global world today.

**alumni STORY**

“DEVS has informed so much about my current career path and my initial experiences in the legal field. Aside from providing me with the tools to think critically and deconstruct certain positions and arguments, I have retained my focus on DEVS issues and my desire to make a positive impact in an informed manner.”

Victoria Moore, BAH 2011, JD

MAJOR MAP

Why study in Kingston?
For 175 years, our community has been more than a collection of bright minds – Queen’s has attracted students with an ambitious spirit. Queen’s has the highest retention rates, the highest graduation rates, and one of the highest employment rates among recent graduates. We are a research intensive university focused on the undergraduate experience. The BBC has identified Kingston as one of the GREATEST UNIVERSITY TOWNS in the world – and it is often awarded the safest city in Canada. It is a university city at the core; just a quick drive to Toronto, Montreal, Ottawa and even New York. A university with more clubs per capita than any other university in Canada, and a city with more restaurants per capita than any other city in North America – you will have the experience of a lifetime at Queen’s – and graduate with a degree that is globally recognized among the best.

How to use this map
Use the 5 rows of the map to explore possibilities and plan for success in the five overlapping areas of career and academics. The map just offers suggestions – you don’t have to do it all! To make your own custom map, use the My Major Map tool.

Get started thinking about the future now – where do you want to go after your degree? Having tentative goals (like careers or grad school) while working through your degree can help with short-term decisions about courses and experiences, but also help you keep motivated for success.

Get the help you need
Queen’s provides you with a broad range of support services from your first point of contact with the university through to graduation. At Queen’s, you are never alone. We have many offices dedicated to helping you learn, think and do.

Ranging from help with academics and careers, to physical, emotional, or spiritual resources – our welcoming living and learning environment offers the programs and services you need to be successful, both academically and personally. Queen’s wants you to succeed! Check out the Student Affairs website for available resources.
