Queen’s Music has earned a reputation across Canada for producing some of the best-prepared graduates: musicians who excel as scholars, composers, teachers and performers. Students in the Dan School of Drama and Music obtain a solid education in western classical music, while pursuing a wide variety of courses in applied study (performance), ethnomusicology, theory and composition, and music education. Music students have many opportunities to become engaged in Drama studies especially in the areas of Music Theatre and Opera. Music students practice and perform in the fantastic Rehearsal Hall and Concert Hall of the Isabel Bader Centre for the Performing Arts.

There are two distinctive ways to pursue a Music degree at Queen’s:

**BACHELOR OF MUSIC (BMUS)** is specifically focused on all aspects of Music including required solo performance and ensemble courses. Audition is required for first year admission.

**BACHELOR OF ARTS in MUSIC (BAH/BA)** is a much more broadly-based and flexible degree with music performance opportunities being electives. Admission to program begins in second year.
