Psychology is the study of mental processes and behaviour. Psychologists study relationships between brain function, behaviour, and environment. As a discipline, psychology explores a wide range of topics, including cognition, neuroscience, social influence, mental health, development, relationships, sensation, and perception, as well as the influence of factors such as gender and culture on these areas.

**TOP 5 REASONS to study PSYCHOLOGY**

1. Evidence-based insights into how both environment and genetics influence the brain and behaviour.
2. Evidence-based practices in mental health that are grounded in science.
3. Hands-on experiential learning opportunities in laboratory and field settings.
4. Transferable critical thinking and research skills.
5. Skills that employers value, including teamwork, writing, and data analysis.

PSYCHOLOGY MAJOR MAP

**1ST YEAR**
- **GET THE COURSES YOU NEED**
  - In first year, you'll have the chance to explore the foundations of Psychology along with some electives.
  - See the back page for specific courses to consider.
  - Attend Majors Night in the Winter term to learn more about Plan options.

- **GET RELEVANT EXPERIENCE**
  - Join organizations on campus such as the Sexual Health Resource Centre and the Mental Health Awareness Committee.
  - See the AMS Clubs Directory or the Queen's Get Involved page for more ideas.
  - Get an upper-year Peer Mentor in PSYC. Ask the PSYC Department Student Council (DSC) for details.
  - Look into summer jobs by talking to the Dept. about NSERC, USRA's, or Career Services about work through SWEP or Work Study.
  - Volunteer in a PSYC Research Lab.
  - Take more responsibility within different clubs or extracurriculars.
  - Attend workshops and training sessions offered to students through the CMHA.

- **GET CONNECTED WITH THE COMMUNITY**
  - Volunteer on or off campus with different community organizations such as Autism Ontario Kingston, Big Brothers, Big Sisters KFL&A, Telephone Aid Line Kingston, and the Kingston Sexual Assault Centre.
  - Get involved with the Departmental Student Council (DSC). Think about applying to volunteer at the Peer Support Centre, Student Wellness Services, or other services.
  - Start or continue volunteering with organizations such as Hotel Dieu Hospital and the Elizabeth Fry Society Kingston.

- **GET THINKING GLOBALLY**
  - Prepare for work or studies in a multi-cultural environment by taking QUC's Intercultural Competency Certificate, and research possible immigration regulations.
  - Speak to a QUC advisor to get involved in their programs, events, and training opportunities.
  - Is an exchange in your future? Start thinking about where you would like to study abroad. Apply in January for a third year exchange through the International Programs Office.
  - Attend the Bader International Study Centre in the U.K. for the winter term and take PSYC 333, 342, and 397.

- **GET READY FOR LIFE AFTER GRADUATION**
  - Grappling with program decisions? Go to Majors Night or get some help wondering about career options from Career Services.
  - Build your transferable skills in time management, problem solving, writing and more with Student Academic Success Services.
  - Explore careers of interest by reading books in the Career Services Information Area, such as Career Paths in Psychology. For more information check out Career Cruising or by finding and connecting with alumni on LinkedIn. Go to the PSYC Careers Night in February, hosted by the PSYC DSC.

**2ND YEAR**
- **GET THE COURSES YOU NEED**
  - Start going deeper into the discipline of Psychology, while considering a minor and/or certificate such as Global Action and Engagement. Attend Degree + in the Fall term to learn more about Certificates and Internship options.
  - Want to make sure your academics are where you want them to be? Visit SASS (Student Academic Support Services), and the Writing Centre for some help.

- **GET RELEVANT EXPERIENCE**
  - If interested, apply for an Undergraduate Student Summer Research Fellowship (USSRF).
  - Consider applying to do a 12-16 month QUIP internship between your third and fourth year. Take a PSYC 570/575 Special Directed Lab course for further research experience. Apply to be a PSYC 100 TA through PSYC 400.
  - Do targeted networking with alumni working in careers of interest by joining the LinkedIn group Queen's Connects. Check out Career Services networking workshops.
  - Connect with professors at events or workshops hosted by the DSC. Meet one on one with professors or graduate students.

- **GET CONNECTED WITH THE COMMUNITY**
  - Consider joining professional associations, such as the Ontario Psychological Association or the Canadian Counselling and Psychotherapy Association.
  - Join groups on LinkedIn reflecting specific careers or topics of interest in Psychology.
  - Investigate requirements for full-time jobs or other opportunities related to careers of interest. Access what experience you're lacking and fill in the gaps – check out the Career Services skills workshop for help.
  - Present your PSYC 501 research at Inquiry Queen's and your Thesis Poster at the Ontario Undergraduate Thesis Conference.

- **GET THINKING GLOBALLY**
  - International students interested in staying in Canada can speak with an International Student Advisor.
  - Volunteer with places like Immigrant Services Kingston & Area.
  - Apply to jobs or future education, or make plans for other adventures. Get help from Career Services with job searching, resumes, interviews, Grad School applications, or other decisions.

**3RD YEAR**
- **GET THE COURSES YOU NEED**
