Queen’s Undergraduate Internship Program (QUIP)

TO: School of Computing Students, 2019 - 2020
(for internships completed during the 2020 - 2021 academic year)

FROM: QUIP Coordinator, Career Services – quip@queensu.ca

SUBJECT: QUIP Registration Procedures, Policies and Regulations

Registration forms can be accepted year round. We recommend registering as early as possible in order to maximize the time you can spend engaging in the internship job search process.

Students in a Bachelor of Computing (Honours) plan (code BCH) can register to complete a Professional Internship version of their plan. The COMP courses 390/6.0, 391/3.0, 392/3.0, and 393/3.0 allow students to continue to be registered during the terms of their internship placement (see School of Computing Internship webpage for fee information). Satisfactory completion of a written internship report following completion of the work period enables the internship student to receive course credits plus transcript and diploma annotations for the Professional Internship. The internship replaces the relevant undergraduate project course requirements (CISC 496/3.0 or CISC 498/6.0 or CISC 499/3.0 or COGS 499/3.0).

REGISTRATION CHECKLIST:
- Read the QUIP Policies and Regulations
- Complete and sign the attached registration form
- Take the form to your department office or Undergraduate Programs Assistant to obtain the signature of the departmental Chair of Undergraduate Studies
- Students who are also enrolled in a Certificate program (e.g. Business, Law) are instructed to contact their Certificate Program Coordinator to notify them of their enrollment in QUIP
- Return the registration form to Career Services Reception (3rd Floor, Gordon Hall), along with the $35 registration fee, payable by cash, debit, credit or cheque (cheques made payable to Queen’s University)

IMPORTANT POST-REGISTRATION INFORMATION:
- All registrants attend QUIP-specific resume writing/cover letter and interview preparation workshops before applying for internship positions. Register at MyCareer (https://careers.sso.queensu.ca/home.htm)
- All QUIP positions are posted on a separate QUIP tab on the job posting board in MyCareer. Please note that not all QUIP positions are necessarily eligible for a Computing internship. There is an expectation that the internship will meet a certain level of technical rigour in order to qualify as a replacement for the undergraduate project course.
- Students are encouraged to network with employers and seek out their own internship opportunities if desired
- All job postings have specific application instructions; please read carefully
- All communication from QUIP will be directed to your Queen’s email account, including interview requests & job offers

Note: You must pay the $35 registration fee & submit the registration form before you are eligible to apply for any QUIP positions. The non-refundable registration fee is payable only once & qualifies you to apply to as many internship openings as you choose.

Queen’s is committed to an inclusive campus community with accessible goods, services, and facilities that respect the dignity and independence of persons with disabilities. Accessible formats or appropriate communication supports are available upon request. For more information, please visit the Queen’s Accessibility Hub website or contact us at quip@queensu.ca
Queen’s Undergraduate Internship Program (QUIP) - Policies and Regulations

As a participant in the Queen’s Undergraduate Internship Program (QUIP), you are obligated to adhere to the high standards and professionalism that your university and our internship employers expect of this program and its students.

The following is a list of program policies and regulations:

- Submit a resume and cover letter to employers that is truthful, well-constructed and pertinent to the position applied for. Attend a resume and cover letter writing workshop prior to starting your application documents.
- Apply only to those positions for which you are prepared to accept an offer. This means you must inform yourself before applying i.e. job location, nature of the employer’s business, nature of the work, etc. If you cannot find the information, you need ask the QUIP Coordinator.
- Check your Queen’s email account regularly – all important notifications, including interview requests and job offers will be communicated via your Queen’s email account.
- Prepare for your interviews by attending an interview workshop and conducting background research on the employer and the job.
- Be on time and dress professionally for all required interviews. If you must cancel or are unavoidably detained, call Career Services so that we can inform the employer. If you must cancel an interview, provide advance notice.
- When the QUIP office presents you with a job offer, you must make a decision within 2 business days. Contact the QUIP Coordinator if you have any questions before accepting an offer.
  
  IMPORTANT: If you accept a position either verbally or in writing, you are bound by this agreement. If for any reason you decide to renege on this acceptance, you will be removed from the internship program for the current year and will not be permitted to participate in future years.

- Please inform the QUIP office of any offers you receive directly from the employer. Please copy the QUIP Coordinator (quip@queensu.ca) on any correspondence you have with employers related to interviews or job offers.
- All interns must complete a low-risk Off Campus Activity Safety Policy (OCASP) record. Students completing their internship outside of Canada will be required to complete a high-risk record.
- Complete your internship with integrity and professionalism. Students who accept a QUIP position are required to successfully complete their internship and to return to their academic program for a full 4th year; those with more than 90.0 units at the start of the internship are not eligible*. The internship is a contract between student and employer and should be considered binding by both parties. Contact the QUIP Coordinator as soon as possible if you have any questions or concerns during the internship.
- If you are an international student and wish to obtain an internship you must apply for a work permit. This process must begin well in advance of accepting an internship offer as you do NOT need a job offer to apply for a work permit. Please visit the Queen’s University International Centre for details and instructions on how to apply.
- If you are taking part in an international internship it is your responsibility to visit the Queen’s University International Centre and ensure that you have the correct work visas and permits in place.
- You and your employer will complete three Performance Evaluations during your internship. These forms will be available on onQ. Completed forms should be uploaded to onQ at the 4-month, 8-month, and 12-month marks of the internship.

* Students in the Certificate in Business program are allowed a maximum of 90.0 units, but this maximum excludes their 600-level Commerce courses.
† Students in the Certificate in Law program are allowed a maximum of 90.0 units, but this maximum excludes their 700-level Law courses.
REGISTRATION FORM – School of Computing

Surname: ___________________________ First Name: ___________________________ Middle Initial: ______

Preferred Name: ___________________________ Student Number: ___________________________ NetID: _____________

Email address: ___________________________ @queensu.ca Phone Number: ___________________________ Skype ID: _____________

As of September 2019, enrolled in:

□ 2nd year □ 3rd year □ Other: ___________: ___________

Program (please check one):

□ BMCO – Biomedical Computing □ COMP - Computing
□ COGS - Cognitive Science □ CSCI - Computer Science
□ COMA - Computing and Mathematics □ SODE - Software Design

International Student: □ Yes □ No

Certificate in ___________________________ (if applicable)

Please indicate the industries and/or companies you are interested in working for during your internship year:

Industries: ___________________________

Companies: ___________________________

APPROVAL OF DEPARTMENT OR SCHOOL

I confirm that:

• the above academic information is correct and that this student has a CUMULATIVE GPA of 1.9. Their academic record merits participation in this program.
• this student has not completed more than 90.0 units*† and is eligible for the Queen’s Undergraduate Internship Program provided he/she does not complete more than 90.0 units*† prior to an internship and maintains a GPA of 1.9.
• the department will allow this student to return to his/her original program without penalty upon completion of the internship (contingent on satisfactory completion of the current academic year).

Chair of Undergraduate Studies (Name) (Signature) Date

STUDENT STATEMENT OF UNDERSTANDING:

I ___________________________ (print name) have read and understand the QUIP policies and regulations outlined above.

As a participant in QUIP, I agree to:

• complete no more than 90.0 units*† prior to the start of my internship, recognizing that completing more than 90.0 units*† prior to an internship will render me ineligible for the Queen’s Undergraduate Internship Program.
• allow my Queen’s academic record and contact information (phone number, Queen’s email address and Skype ID) to be released to those employers to whom I have applied
• pay a non-refundable, one-time application fee of $35.00 with submission of this application
• if I accept an internship under this program, pay the applicable tuition fees for the COMP 39x courses required for the internship. N.B. International students are assessed on the basis of international course fees.
• return to Queen’s University full-time for two terms for completion of my academic program immediately after the internship

I understand that if I accept a position either verbally or in writing, I am bound by this agreement. If for any reason I decide to renge on this acceptance, I understand that I will be removed from the internship program for the current year and will not be permitted to participate in future years.
