• Two Academic References.
• Current curriculum vitae (CV) or Resume: 4 pages maximum, submitted directly to the the Graduate Assistant.
• Letter of Intent: Maximum 2500 characters without spaces, submitted directly to the Graduate Assistant.

Key Dates & Deadlines
• Complete applications are reviewed and offers are made on an on-going basis by the program.
• Applicants are encouraged to apply early, before the final application deadline of January 15.

Funding
• The DSc (RHL) is a professional program designed to allow students to continue working while completing the degree through a blend of online sessions and online learning.

Why GRADUATE STUDIES IN REHABILITATION AND HEALTH LEADERSHIP?

The DSc (RHL) is a 36 month executive-style degree program that allows students to continue working while completing the degree through a blend of online sessions and online learning.

The DSc (RHL) equips currently practicing rehabilitation and health professionals with the knowledge and skills they need to confidently pursue career opportunities that require advanced competencies in leadership, program development, applied research and evaluation, advocacy, change management, and knowledge translation.

Program STRUCTURE
Students progress through the program on a full-time basis in order to complete requirements in 36 months. Students entering with a Master’s degree will complete a total of 5 required (core) courses (15 credits), two electives (6 credits), a comprehensive exam, and an applied dissertation. Students entering with a Bachelor’s degree will complete one additional core course (Critical Literature Review).

Core COURSES
• Applying Theory to Enable Change
• Applied Research and Evaluation
• Leadership Development
• Communication, Advocacy, and Action
• Preparing Competitive Funding Proposals

Applied DISSERTATION
Students identify a real-world problem in rehabilitation or health setting, and design, implement and evaluate a program or system to address this problem.

What is the community like?

At Queen’s, graduate students from all disciplines learn and develop in a close-knit intellectual environment offers the programs and services you need to be successful, both academically and personally. Check out the QSU HUB for available resources.

Where can I get help?

Queen’s provides you with a broad range of support services from your first point of contact with the university through to graduation. Ranging from help with academics and careers, to physical, emotional, or spiritual resources - our welcoming environment offers the programs and services you need to be successful, both academically and personally.

**Rehabilitation and Health Leadership**

**DSc Map**

**Doctor of Science (DSc)**

### Year 1

**Achieve Your Academic Goals**
- Meet early with your advisor to set expectations and discuss roles, responsibilities, program requirements, resources, research/occupational goals, timelines, and any accommodation plans.
- Consider how your coursework can contribute to your research proposal and comprehensive examination.
- Look to Student Academic Success Services for a variety of support.

**Maximize Scholarly Impact**
- Think about audiences for your research.
- Complete CORE online module on research ethics if doing research with living people or sensitive topics.
- Attend conferences in your field.

**Build Skills and Experience**
- Start keeping an eportfolio of your skills, experience and competencies.

**Engage with Your Community**
- Participate in your graduate and professional community through activities such as graduate student outreach programs, organizing conferences, and research groups.

**Propel Your Career**
- Finding career fit starts with knowing yourself. Take a Career Services career planning workshop or meet with a career counsellor for help. Check out books like *So What Are You Going to do With That?* or *Ask an Alum* for information check out Career Cruising.
- Start reading publications like University Affairs and the Chronicle of Higher Education. Browse the non-academic labour market websites.
- Stay on the lookout for special events like School of Graduate Studies Career Week to explore your career pathways.

### Year 2

**Achieve Your Academic Goals**
- Complete your comprehensive examination.
- Find your way through the academic process with help from departmental and Expanding Horizons professional development workshops, the RHL Program Director ad Program Assistant and SGS Habitat.
- Set up regular meeting with your advisor to discuss progress and obstacle to timely completion.
- Seek experiential/professional learning opportunities.

**Maximize Scholarly Impact**
- Present your work at graduate conferences such as the Rehabilitation Research Colloquium.
- Expand your research audience through social media such as Twitter or a blog.

**Build Skills and Experience**
- Find opportunities for extra training through CTL, Expanding Horizons, Mitacs, or other sources to boost your skills.
- Prepare for work or studies in a multi-cultural environment by taking the Intercultural Awareness Training Certificate hosted by QUIC and Four Directions Indigenous Student Centre.

**Engage with Your Community**
- Do some targeted networking with people working in careers of interests, through QueensConnects on LinkedIn, the Queen’s Alumni Association, professional associations, and at conferences. Get help from a Career Services workshop.

**Propel Your Career**
- Explore different careers of interest by reading alumni profiles on the SGS website, and using QueensConnects on LinkedIn to connect with Queen’s Alumni Association, or find alumni in various careers through Queen's Alumni Association. Investigate requirements for professional positions or other opportunities related to careers of interest.

### Year 3

**Achieve Your Academic Goals**
- Continue to meet regularly with your advisor, review research progress, and write your dissertation.
- Plan date of dissertation submission for examination.
- Present your research to graduate students and faculty and work with advisor to prepare for dissertation presentation.
- Review submission and examination guidelines.
- Secure necessary oral defence accommodations.
- Discuss career pathways, reference letters, and publications.

**Maximize Scholarly Impact**
- Continue to attend conferences and connect with scholars in your field and with community partners and with public outreach through social media and the Queen’s Media Centre.
- Set up a meeting with the School of Graduate Studies for a Grad Chat to discuss your research interests.

**Build Skills and Experience**
- Practice articulating the skills you have been developing in settings outside the university, such as casual conversations, networking, and interviews. Get help for a Career Services workshop.

**Engage with Your Community**
- Join professional associations like the Canadian Health Leadership.

**Propel Your Career**
- Participate in hiring committees and attend job talks. Research academic careers of interest. Craft your CV and job application materials.
- Start focusing on non-academic areas of interest. Research organizations of interest and start putting together your industry resume and begin your job search plan.

**Program Outcome**

DSc (RHL) Graduates will be able to:
- Critically appraise, synthesize, and integrate knowledge from multiple sources and consider the impact of its application on various stakeholders (e.g., patients/clients, practitioners, families, public and private systems that fund or deliver services), in order to improve rehabilitation and health practice and service delivery;
- Design, implement and evaluate novel services, programs and processes in diverse areas of rehabilitation and health;
- Advocate for and lead services and programs to enhance the lives of people affected by or at risk of disability.

**Where Can I Go?**

A Professional Doctorate degree in Rehabilitation and Health Leadership can take your career in many directions. Our students are equipped with a strong foundation for careers in:
- Leadership positions in organizations that provide direct healthcare services to those with or at risk of disability.
- Policy advisory roles in government and non-governmental organizations.
- Leadership roles in advocacy and non-profit organizations.

Taking time to explore career options while building your experience and networks can help you have a smooth transition to the world of work after graduation.
